

VR1714L - Bolesti hlavy

Objednávací kód: 4304.1001604

VR 0741

The poster is titled "Bolesti hlavy" and contains several sections with diagrams and text:

- Náhlige Kopfschmerzen (Sudden Headaches):** Discusses acute pain, often related to stress or fatigue, and mentions the need for medical attention if severe.
- Spannungskopfschmerzen (Tension Headaches):** Describes a common type of headache caused by muscle tension in the neck and shoulders, often related to stress or prolonged sitting.
- Migräne (Migraine):** A detailed section explaining the symptoms of migraines, including severe pain, sensitivity to light and sound, and the need for a dark, quiet environment for relief.
- Diagrams:** Includes a pie chart showing the prevalence of different headache types, a diagram of the human body with a brain diagram, and a diagram of a person sitting at a desk illustrating tension headaches.
- Table:** A table at the bottom summarizes the characteristics and treatment of different headache types.

Kopfschmerztyp	Ursachen	Charakteristika	Behandlung
Náhlige Kopfschmerzen	Stress, Müdigkeit, Hunger	Plötzlich einsetzende, oft einseitige Kopfschmerzen	Entspannung, Ruhe, leichte Schmerzmittel
Spannungskopfschmerzen	Stress, Verspannung der Muskulatur	Zwei- oder beidseitige, spannungsartige Kopfschmerzen	Entspannung, Wärmebehandlung, leichte Schmerzmittel
Migräne	Genetische Faktoren, Stress, hormonelle Veränderungen	Sehr starke, einseitige Kopfschmerzen mit Übelkeit, Schwindel	Schadungsfreie Schmerzmittel, Triptane, Ruhe in dunkler, ruhiger Umgebung
